Review Meeting #3 Summary Report

Information Items

• 261 Respondents

- What makes Barrio a special place?
 - Culturally rich
 - Family-oriented
 - Historic
 - Great location

"It is a racially diverse community full of history and good people that work hard."

What kind of place should Barrio be in the future?

- Safe and clean
- Local jobs
- Improved community services
- Affordable Housing

"I think Barrio Logan should be a good environment for our children to live in. A place they can feel proud to call home."

 How do you see the community changing over the next 10 – 15 years?

- Barrio community "spirit"
- Clean and healthy
- Balance of old and new development
- Community events and festivals

"A dynamic, diverse, multiethnic-friendly area to live and work and to experience culture."

- Describe some of the issues that impact your quality of life in Barrio Logan
 - Incompatible uses and impacts
 - Homelessness
 - Poor City services, trash and litter
 - Crime and violence

"The biggest problem is the street people. They make our community dangerous and dirty, especially for the children and elderly people."

Community Workshop Results

- 125 attendees
- Nine exhibit areas/stations
- Groups represented:
 - Barrio Station
 - EnvironmentalHealth Coalition
 - Chicano Park SteeringCommittee
 - Port District Tenants
 - Others

Values

- Active: Artists spaces, bike path safety
